

WELCOME MESSAGE FROM THE SCHOOL ADMINISTRATION

Believe and trust yourself....Achieve High Student Achievement

On behalf of our faculty and support staff, we welcome you to Aviano Middle/High School SY 2009-2010. This planner has been prepared to familiarize you and your parents with our educational program and daily operation procedures. Please make sure that you read the policies very carefully and adhere to them.

School Year 2009-2010 will be an exciting school year. The excitement begins with a strong student centered approach, welcoming family atmosphere, and parent/community participation in school committees, school events and activities.

Our faculty, support staff, and administration believe in you. We want you to believe in yourself, be the best you can be and reach high academic achievement.

Our commitment to highest student achievement will be visible both in the hallways and classrooms. Student's artwork of our Performance Goal # 1 which is "Communication" and our Performance Goal # 2, which is "Critical Reading", will be displayed to remind us that our mission as a school is to empower all our students to maximize their success in our global community.

Welcome to our new and returning students. Enjoy the new school year at Aviano Middle/High School, "Home of the Saints!"

**Cristina Echevarria
Principal**

**Donald Woolson
Assistant Principal**
